MEDVEDU PRIJAZNO | BEAR FRIENDLY

Oznaka medvedu prijazno je namenjena promociji medvedu prijaznih praks, ki prispevajo k sobivanju človeka z medvedom, in vključujejo:

- učinkovito varovanje pašnih živali, čebelnjakov ali sadovnjakov,
- shranjevanje odpadkov na medvedu nedostopna mesta,
- razvoj odgovornih turističnih programov,
- aktivno promocijo ohranjanja medveda v lokalnem okolju.

Bear friendly label was designed to award bear friendly practices that contribute to coexistence between bears and humans through:

- effective protection of livestock, beehives or orchards
- use of bear-proof garbage bins
- development of responsible guided nature trips
- active promotion of bear conservation in the local area
